The Seven Letters to the Seven Churches (Co-ed Study)

What does the church need to be aware of? What kind of opposition can the church face from within and without? How can a church remain faithful over the years? Can we use church members help a church remain healthy? These questions and others are seen in John's seven letters to actual churches in his day.

The Book of Numbers (Women's Study)

The book of Numbers gets a bad rap. Perhaps it is because, unless you're a mathematician or an accountant, some of us get a little twitchy when you give us lists of numbers. Yet the book of Numbers is a crucial component of the Pentateuch in understanding the character of God and our own character (and unfortunately, sinful tendencies) as His people. And there are glimpses of the Gospel of Christ all throughout. Come join us as we embark on a study of this often overlooked but vitally important book. We will look for characteristics of God, tendencies of us as humans, Gospel glimpses, and application for our daily lives.

Exploring Exodus Cont'd (Men's Study)

Join us as we continue an in-depth study of the book of Exodus, where we'll uncover how God's promises to the patriarchs are fulfilled as He rescues His people from oppression and dwells among them. Using Eugene Carpenter's insightful commentary, we'll engage with the original Hebrew text to explore key themes such as God's deliverance, His covenant faithfulness, and His ongoing presence with His people. Together, we'll discover how the powerful message of Exodus speaks to us today and offers practical guidance for our walk with God.

Grove Student Worship (6th - 12th Grade)

Our student service is made up of a time of fellowship, worship through songs, worship through the preaching of God's Word and through our Connect Groups. Our Worship time through song is primarily student led on a student rotation basis. During our time of preaching, we take a book of the Bible and go chapter by chapter, verse by verse, or we will take a few weeks and preach through some of the essential Biblical doctrines. Our Connect Groups are broken up by gender and grade. Each Connect Group is led by a group of Adult Leaders that serve within Grove Student Ministry.
